Description: This freighter tour is on the Kabinakagami River. We travel up river in a big 20ft. freighter canoe with a motor which means you don't have to paddle. We will reach Caribou rapid. Enjoy the day outside, fish, cook lunch on the fire and walk in the forest.

Itinerary: We will meet at the Tourist Center in Hearst for 10 am. We will take the shuttle car to the landing 20 min west of Hearst on HWY 11.. We will make our way up river to go have a shore lunch on the rocks at Caribou rapids. We will relax and enjoy nature. You can bring a book, blanket, pillow to relax. We will go for a small walk in the bush to explore and see more of the rapid up river. We will make our way back to Hearst in the afternoon.
