Description: We are going on an overnight canoe trip on the chain of lakes! Kids will learn how to camp in the backcountry! We will cook our dinner on the fire, spend the night around the campfire telling stories, crafting, workshops and looking for stars. The next day, we will cook our breakfast and paddle back to shore while playing games, swimming and stopping for a shore lunch.

Itinerary: Please drop off your kids at 8am INN The North and pick them up at 4pm the next day at Veilleux Camping & Marina. We will start by packing for our trip and looking at maps to see where we are going. We then learn to paddle the canoes. We will have a shore lunch. Once at the campsite, kids will learn how to set up their tent and all the little tasks of backcountry camping like firewood, toilet, water etc.. They will cook their souper on the fire. We will then play games and tell stories around the fire. The next morning, we will cook breakfast on the fire and pack up to head to the beach for lunch. We then make our way to the marina later in the afternoon.
